

section. Projects within this priority group will be further prioritized the same as in paragraph (a)(1)(iii) of this section.

(5) *Priority group 5.* An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(iv) of this section. Projects within this priority group will be further prioritized the same as in paragraph (a)(1)(iv) of this section.

(6) *Priority group 6.* An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(v) of this section. Projects within this priority group will be further prioritized the same as in paragraph (a)(1)(v) of this section.

(7) *Priority group 7.* An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(vi) of this section. Projects within this priority group will be further prioritized the same as in paragraph (a)(1)(vi) of this section.

(b) An application will be given highest priority on the priority list for the next fiscal year within the priority group to which it is assigned in paragraph (a) of this section (without consideration of subpriorities) if:

(1) During the current fiscal year the State accepted a grant for that application that was less than the amount that would have been awarded if VA had sufficient appropriations to award the full amount of the grant requested; and

(2) The application was the lowest-ranking application on the priority list for the current fiscal year for which grant funds were available.

(c) An application will be given priority on the priority list (after applications described in paragraph (b) of this section) for the next fiscal year ahead of all applications that had not been approved under § 59.20 on the date that the application was approved under § 59.20, if:

(1) During the current fiscal year VA would have awarded a grant based on the application except for the fact that VA determined that the State did not, by July 1, provide evidence that it had its matching funds for the project, and

(2) The State was notified prior to July 1 that VA had funding available for this grant application.

(d) The priority list will not contain any project for the construction or acquisition of a hospital or hospital beds.

(e) For purposes of establishing priorities under this section:

(1) A State has a great need for nursing home and domiciliary beds if the State:

(i) Has no State homes with nursing home or domiciliary beds, or

(ii) Has an unmet need of 2,000 or more nursing home and domiciliary beds;

(2) A State has a significant need for nursing home and domiciliary beds if the State has an unmet need of 1,000 to 1,999 nursing home and domiciliary beds; and

(3) A State has a limited need for nursing home and domiciliary beds if the State has an unmet need of 999 or fewer nursing home and domiciliary beds.

(f) Projects that could be placed in more than one subpriority will be placed in the subpriority toward which the preponderance of the cost of the project is allocated. For example, under priority group 1—subpriority 1, if a project for which 25 percent of the funds needed would concern seismic and 75 percent of the funds needed would concern building construction, the project would be placed in the subpriority for building construction.

(g) Once the Secretary prioritizes the applications in the priority list, VA will not change the priorities unless a change is necessary as a result of an appeal.

§ 59.60 Additional application requirements.

For a project to be eligible for a grant under this part for the fiscal year for which the priority list was made, during that fiscal year the State must submit to VA an original and a copy of the following:

(a) Complete, updated Standard Forms 424 (mark the box labeled application and submit the information requested for an application), 424C, and

Department of Veterans Affairs

§ 59.80

424D (the forms are set forth at § 59.170 of this part), and

(b) A completed VA Form 10-0388 and all information and documentation specified by VA Form 10-0388 (the form is set forth at § 59.170h).

(Authority: 38 U.S.C. 101, 501, 1710, 1742, 8105, 8131-8137)

§ 59.70 Award of grants.

(a) The Secretary, during the fiscal year for which a priority list is made under this part, will:

(1) Award a grant for each application that has been approved under § 59.20, that is sufficiently high on the priority list so that funding is available for the application, that meets the additional application requirements in § 59.60, and that meets all other requirements under this part for obtaining a grant, or

(2) Conditionally approve a grant for a project for which a State has submitted an application that substantially meets the requirements of this part if the State representative requests conditional approval and provides written assurance that the State will meet all requirements for a grant not later than 180 calendar days after the date of conditional approval. If a State that has obtained conditional approval for a project does not meet all of the requirements within 180 calendar days after the date of conditional approval, the Secretary will rescind the conditional approval and the project will be ineligible for a grant in the fiscal year in which the State failed to fully complete the application. The funds that were conditionally obligated for the project will be deobligated.

(b) As a condition of receiving a grant, a State must make sufficient funds available for the project for which the grant is requested so that such project may proceed upon approval of the grant without further action required by the State (such as subsequent issuance of bonds) to make such funds available for such purpose. To meet this criteria, the State must provide to VA a letter from an authorized State budget official certifying that the State funds are, or will be, available for the project, so that if VA awards the grant, the project may proceed without further State action to

make such funds available (such as further action to issue bonds). If the certification is based on an Act authorizing the project and making available the State's matching funds for the project, a copy of the Act must be submitted with the certification. To be eligible for inclusion in priority group 1 under this part, a State must make such funds available by August 15 of the year prior to the fiscal year for which the grant is requested. To otherwise be eligible for a grant and grant funds based on inclusion on the priority list in other than priority group 1, a State must make such funds available by July 1 of the fiscal year for which the grant is requested.

(c) As a condition of receiving a grant, the State representative and the Secretary will sign three originals of the Memorandum of Agreement documents (one for the State and two for VA). A sample is in § 59.170.

§ 59.80 Amount of grant.

(a) The total cost of a project (VA and State) for which a grant is awarded under this part may not be less than \$400,000 and, except as provided in paragraph (i) of this section, the total cost of a project will not exceed the total cost of new construction. The amount of a grant awarded under this part will be the amount requested by the State and approved in accordance with this part, not to exceed 65 percent of the total cost of the project except that:

(1) The total cost of a project will not include the cost of space that exceeds the maximum allowable space specified in this part, and

(2) The amount of the grant may be less than 65 percent of the total cost of the project if the State accepts less because VA did not have sufficient funds to award the full amount of the grant requested.

(b) The total cost of a project under this part for acquisition of a facility may also include construction costs.

(c) The total cost of a project under this part will not include any costs incurred before the date VA sent the State written notification that the application in § 59.20 was approved.
